

## WILTSHIRE COUNTY BADMINTON ASSOCIATION

### JUNIORS

SUMMER CAMP 29<sup>th</sup> & 30<sup>th</sup> August 2024

At Melksham Community Campus

Six hours each day of varied badminton activities organised by the Lead Coach, Steve Hulbert, ably supported by Natalie, Tanya, Ashley, Thomas, Joe and Geoff.

The Camp attracted juniors from throughout Wiltshire and various badminton clubs together with existing County juniors, as an added attraction on day one Yashica Racharla and her sister Nihira plus dad Jagadambi dropped in for a while.

Yashica, being an England player at the tender age of 15 was challenged to a match by all the young bulls at attended, the results rather convincingly favoured Yashica and ably demonstrated the superiority of the female gender much to the surprise of the opposition and the amusement of her father, many thanks to Jag and his girls for coming along.

A really excellent two days, everyone contributed to ensure everyone enjoyed their time.

We look forward to many more.

Now on to the photographs
